Why consider a Pre-payment scheme?

In the past it was not possible to make, and pay for, funeral arrangements in advance. Insurance policies were traditionally used for this purpose, but they can never guarantee to cover the full cost of a funeral, irrespective of when it may take place. Our scheme does not rely upon the hope that funds will grow and cover those future expenses. It instead guarantees that all costs have been paid. An additional benefit is the peace of mind that comes with knowing your arrangements are in place and family members will not have to make difficult decisions or face unexpected expenses at a time of bereavement.

Why Freeman Brothers?

Freeman Brothers has been established in the Horsham area for over 150 years. We take pride in offering a personal service in a profession that is becoming increasingly swamped by national and multinational organisations. Unlike those of most of our competitors, we offer a guarantee that both our charges, and those Third-party costs included in the plan, are fully covered. There is therefore no uncertainty about what will be covered when the time comes, and no extra amounts to be paid.

How the Tailor-made Scheme works

We offer four tiers of Pre-payment schemes, the Simple, Standard, Principal and Supreme, and many people find one of these fits their chosen arrangements. However, there may be times when requirements need to be geared to the wishes of an individual. The Tailor-made plan is designed to accommodate these diverse requirements.

We will discuss your wishes with you and calculate the costs involved. These are both our charges for carrying out the requested arrangements, and what are called 'Disbursements'. These are fees which third parties charge for carrying out their role in the arrangements - for example, obituary notices in newspapers. The only fee specifically excluded will be if a burial is planned for a Cemetery or Burial Ground where a charge is made for purchase of the plot or burial space. This fee must be paid directly to the relevant Burial Authority either prior to, or at the time of, the death.

The amount we have calculated will be the amount you pay. We guarantee we will never charge again for anything included in your Scheme.
