Our charges for a Cremation-only service, excluding Disbursements

Due to feedback from our customers, we have decided to offer a service where the Deceased person is taken to Worthing Crematorium or Wealden Crematorium and cremated with no funeral service. This enables friends and family of the Deceased person to choose their own place and time to remember them without using the Crematorium Chapel. The day and time of the cremation will typically be of our choosing.

This service is currently only available for Worthing Crematorium or Wealden Crematorium, as they are the only local facilities that offer a Direct Cremation. Should a different Crematorium be required, the cost of our standard attended funerals will apply, depending on your requirements.

Our fee comprises a number of elements which include a service charge, bringing the Deceased person into our care, the cost of the coffin, transport to the Crematorium and staff to convey the coffin into the Crematory.

Our Service Charge includes our professional services in assisting with the arrangements including liaison to arrange a suitable reservation for the cremation; the completion and safe delivery of statutory documents; a local journey to bring the Deceased person into our Chapel of Rest during working hours; the maintenance of our equipment and premises to facilitate the arrangements; the provision of a 24-hour telephone service to deal with emergencies and answer enquiries; and all the advice and guidance we offer throughout the process and after the cremation has taken place. We will obtain the information we require from you to make the preliminary funeral arrangements by telephone and/or email then arrange a mutually convenient time for you to complete the statutory paperwork during a brief appointment, or by post.

Service charge	£765
Staff	£175
Private ambulance	£70
Total.....	£1010

Additional staff Typically we provide two staff for a Cremation-only Service. Should you wish the Deceased person to be conveyed to the Crematory in the traditional manner, or should the dimensions of the coffin mean more than two staff are required, the cost of an extra pair of staff will be **£155**.

Hearsette rather than private ambulance Should you wish for the deceased person to be conveyed in a hearsette (a customised estate car with blacked-out windows) rather than a private ambulance, the additional charge will be **£195**

Hearse rather than private ambulance Should you wish the deceased person to be conveyed in a traditional hearse, rather than a private ambulance, the additional charge will be **£310**

The Cremation-only service specifically excludes visiting the Deceased person in the Chapel of Rest; the receipt and handling of flowers or donations; and the placing of any obituary notices. Any of these services can be added at the following rates:

- *Visiting the Deceased person in the Chapel of Rest (including additional preparation which may be required) £195*
- *The receipt and handling of flowers for the funeral £40*
- *The administration of charitable donations £90*
- *The placing of an obituary notice in the local or national newspaper £45*

How much will the funeral cost?

Our charges will be comprised of the service charge, staff costs, and the transport cost (as per your requirements), plus your chosen coffin (see our coffin price list for details) and any supplementary charges. Additionally, you will need to pay disbursements, third party charges which are outside of Freeman Brothers' control – such as the Crematorium's fee. Please contact us to discuss your requirements and we will be able to give you a full estimate.

Did you know...?

Freeman Brothers operates Hills Cemetery Chapel, Horsham, on behalf of Horsham District Council, and offers a package for a funeral service there followed by a cremation-only at Worthing Crematorium. This is ideal for those who would like an intimate funeral, or one local to Horsham, or for those who don't feel a cremation-only funeral meets their needs but would prefer to not have the service in a crematorium Chapel or Place of Worship. It is also a cost-effective choice, as it costs less than the equivalent service at Worthing Crematorium. Please let us know if you would like any more details about this service

Other funeral options

For those who wish to attend a funeral service, including at an alternative choice of crematorium, and for whom our Hills Cemetery funeral package (see above) is not appropriate, we offer our standard funeral package which can be tailored to suit your requirements. Please ask us for more information.

Like all UK funeral directors who offer a cremation-only service, Freeman Brothers also offers a standardised unattended cremation which cannot be customised. For information about standardised funerals, please visit freemanbrothers.co.uk/information or ask us for details
